

The Holy Spirit

IMPERATIVE

A RENEWED EMPHASIS ON THE PERSON, POWER, AND MINISTRY OF THE HOLY SPIRIT

“Whenever and wherever the Church has been truly effective, there has been an emphasis upon the person and ministry of the Holy Ghost. The Holy Ghost is the executive administrator of the Kingdom. While the Word is the intelligence of the Kingdom, the Holy Spirit is the power. New Testament preaching is inseparable from the ministration of the Holy Ghost. We must remember that the Kingdom is not simply in word but in power. Christianity without the supernatural would simply be another philosophy. But it is not!”
