

### ***THE UNSEEN BATTLE THAT RAGES OVER YOUR CHILDREN'S DESTINIES***

A young man is led into the world of crime and spends his life in prison. An innocent young girl grows up to be a drug addict. A grown man abducts and abuses children. There's more to these tragedies than meets the eye. There's an unseen battle and demonic strategy at work over your children's destinies.

The battle began in heaven between forces of good and evil (*Rev. 12:1-9*). When Lucifer was cast to the earth, he knew what he had to do: Destroy the mission of Humankind...***AND THEIR CHILDREN*** (*Rev. 12:1-4*); for they had been given God's authority to take dominion over the earth...including him! That's why Satan entered the hearts of Pharaoh (*Ex. 1:22*) and Herod (*Matt. 2:16*) to kill all the children of God's people who could grow up to rule over them.

Now you can see the "Story within the Story" that reveals why your children are Satan's favorite targets of opportunity. ***HE KNOWS THEIR DESTINY IS TO OVERCOME HIM THROUGH THEIR FAITH IN CHRIST'S VICTORY (REV. 12:11)***. What then can you do to guard your children from this demonic strategy?

1. Pray Over Your Children's Futures...if Possible, Before They're Born! Boldly declare the King's intention and destiny over your children's lives.
2. Model a Righteousness Life in Front of Them. Teach children by YOUR example how to love the King with all their heart.
3. Warn Them of the Enticement of Sin. Teach them at an early age how Satan uses their own fallen natures to lure them into evil.
4. Don't Be Afraid to Discipline Your Children. Correction, with love, puts a child back on track with the King's righteous intentions.
5. Teach Them How to Make Good Decisions. Show them the end result of wrong choices and the fruit of good decisions. It can mean death or life!
6. Tell Them How to Select Friends. Teach them how to avoid trouble makers and identify character traits in peers and older children.
7. Remind Them Who They Are in the King's Kingdom. When they grow up, they will be valiant Warriors against evil. They are destined for greatness!
